

REGISTRATION CERTIFICATE

***This document certifies that the administration systems of
Taylors Environmental Group Pty Ltd t/a
Taylors Tree & Stump Removal
194 Canterbury Road, Bayswater North, Victoria 3153, Australia
have been assessed and approved by QAS International
to the following management systems, standards and guidelines:***

ISO 9001 : 2015

The approved administration systems apply to the following:

Taylors Environmental Group is an Australian arboriculture company offering exceptional services in green waste recycling and professional tree and landscape management. We are a highly efficient team with the knowhow, equipment and safety record to complete projects of all sizes in a safe and timely manner, within budget and to the most rigorous standards. You can rely on Taylors to safeguard and enhance the landscapes that reflect your organisation. The Management system is designed to meet the requirements of PAS99:2012, however the Company has concluded that Clauses 8.3 and 7.1.5 are not applicable to the QMS as Taylors Environmental Group do not have use of monitoring or measurement resources and design is limited to landscape sketching.

Original Approval **19th April 2016**
Current Certificate **19th April 2016**
Certificate Expiry **19th April 2017**
Certificate Number **AUP1128CA**

Signed: Certification Officer

On behalf of QAS International

This certificate remains valid while the holder maintains their quality administration systems in accordance with the standards and guidelines stated above, which will be audited annually by QAS International. The holder is entitled to display the above registration mark for the duration of this certificate, which should be returned to QAS International upon reasonable request.
